

Wise Consulting

Wise Consulting Associates is a leader in implementing and using technology to support Human Resources and Payroll Management.

Since our founding, Wise Consulting has partnered with firms in all industries, offering specialized, diversified services for:

- Implementation
- Outsourcing
- Technology Support
- Vendor Selection
- Strategic HR Support

The Wise Advantage

Wise Consulting values and enjoys long-term client relationships earned through outstanding responsiveness, integrity, and industry expertise.

Our experience as Human Resources and Payroll practitioners means we analyze your situation with exceptional insight.

Our diverse consulting experience, working with diverse organizations, both centralized and decentralized, means we have the knowledge to offer solutions appropriate to your specific situation.

- As your consulting partner, we bridge the gap between what is important to your organization and how technology can meet those needs – today and in the future.
- Our established relationships with multiple HR/Payroll vendors gives us important insight into available technology solutions to support your best interests.

Leveraging our HR/Payroll functional expertise, our high level of support standards, genuine care for your needs, and targeted vendor relationships provides us with a unique perspective to support Human Resources and Payroll Management.

Our specialties include:

- HRMS
- Time & Labor Management
- Payroll
- Talent Management
